

Provenience Table for Stratigraphic Sample Submission

Your Project Name & Number _____ Samples Return or Discard?
 ____ Return ____ Discard

Your Company Name _____

PROVENIENCE DATA FOR ARCHAEOLOGICAL SAMPLES FROM _____

UTM's for site Zone: _____ N: _____ E: _____

Sample No.	Cat. No.	Unit No.	Level (Strat)	Depth (cmbs) (cmbd)	Material Type (Ceramic, Lithic, Sediment...)	Stratum/Level Description	Analysis Requested

FTIR = Fourier Transform Infrared Spectroscopy

Cat. No. = Catalog No. (If you use this)

Feat. No. = Feature No. (If you use this)

Examples of Analyses: AMS, Pollen, Phytolith, Starch, Macrofloral, Protein, FTIR, Diatoms, etc.

You may change heading titles to fit your own information, when necessary

Please send a short statement of your research design. If you have specific questions about the paleoenvironment and/or changes, please include those.
